

15.05.15

Dear Parents, Carers and Staff

I'm writing following the second meeting of the Bowmansgreen Parents' Council. I am pleased to say that the meeting was well attended and that we now have a committed and enthusiastic group of parents forming the Parents' Council for its first year.

In this meeting, we discussed a number of issues including: how to support the school's attendance policy, some ways to help parents support their children with the new maths curriculum and we found out more information about the exciting changes to the Bowmansgreen School Breakfast club and how the Parents Council can help to spread the word about this.

Attached are a copy of the minutes from the meeting and these will also be available on the website.

Your views are important!

Please feel free to ask me or any other members of the Parents' Council if you have any questions about the issues raised at this meeting or anything else that is important to parents. You can also contact us by email: parents.council@bowmansgreen.herts.sch.uk
