

A photograph of three young children sitting at a table, eating lunch. The child in the foreground is a young girl with brown hair in a bun, wearing a blue and white striped shirt, focused on eating with a purple knife and fork. Behind her are two other children, one in a yellow shirt and one in a pink shirt, also eating. The table is set with plates of food, including a red plate with a salad and a white plate with a sandwich. A large white diagonal shape is overlaid on the right side of the image, containing the main text.
