

Bowmansgreen Primary School

Home+School =Together

We warmly invite all parents/carers to our first information session in the mobile classroom on Tuesday, 26th September at 9 a.m. These sessions will then be held fortnightly, each time discussing a different topic eg; support with reading at home or completing homework with your child, First Aid and Introduction of Forest Schools to Bowmansgreen. Younger siblings are welcome and tea/coffee and biscuits provided.

Our first meeting will be an open discussion for you, as parents and carers, to put your suggestions forward regarding any support or advice you would like which will benefit your child and your family. We have already had many suggestions, so please come along and add to the list! These sessions will be run by Helen Manly and Sally Stanley, both of whom can be contacted at school, via the office. We look forward to meeting you!
