

Review of Pupil Premium expenditure 2016-2017

Objective / Focus	Chosen action / approach	Estimated impact: (Did you meet the success criteria? Include impact on pupils not eligible for PP, if appropriate).	Lessons learned (& whether this approach/focus will be continued)	Cost	
Quality of teaching for all	Teacher training days/twilight	<p>PPG Progress – The % of children achieving minimum, sufficient, good and very strong progress increased over the course of the year in reading, writing and maths.</p> <p>PPG Attainment - The % of children achieving broadly, securely and exceeding ARE all increased of the course of the year. However these increases in attainment and progress are minimal and are not closing the gap between PPG and non-PPG children.</p> <p>The school offers very good pastoral support to the children and this enabled many children to grow and develop into more confident learners.</p> <p>The introduction of Welcomm testing for all Reception children allowed us to identify children who needed additional support very early on.</p>	<p>A focus needs to be placed on teaching and learning . Developing teachers so that they are able to deliver high quality teaching consistently which engages and motivates all pupils. Plus caters for all pupils needs.</p> <p>Inclusion provision across the school needs to take a more whole school approach instead of individual classes focusing solely on the children in their class. Whole school provision.</p> <p>Further development of the pastoral provision across the school.</p> <p>Further development of the use of Welcomm in early years.</p>		
	TA training				
	Additional teacher in year 6			£56,700
