

Areas to investigate

KS2 progress trend

- Reading progress was in the bottom 20% for at least two years for disadvantaged pupils.
- Mathematics progress was in the bottom 20% for at least two years for all pupils, middle prior attainers, disadvantaged pupils.

KS2 progress in 2017

- Progress in reading and mathematics was significantly* below average and in the lowest 10%.

KS2 progress of disadvantaged pupils

- Reading progress was significantly* below the national for disadvantaged pupils for at least two years for the following groups: overall disadvantaged. Reading progress was significantly* below the national for other pupils for at least two years for the following groups: disadvantaged middle.
- Mathematics progress was significantly* below the national for disadvantaged pupils for at least two years for the following groups: overall disadvantaged, disadvantaged middle.

KS2 attainment

- In 2017, writing and mathematics attainment of the expected standard was at or above national for the high prior attainment group.
- Reading attainment was in the bottom 20% for at least two years for disadvantaged pupils.
- Mathematics attainment was in the bottom 20% for at least two years for all and disadvantaged pupils.

Phonics in 2017

- The average mark for pupils not meeting the phonics expected standard in year 1 was 17.

Absence and exclusions

- The proportion of total fixed term exclusions was at or above national for three years (2013/14 to 2015/16). The proportion of repeat exclusions was at or above national for three years (2013/14 to 2015/16).

*statistical significance based on a 95% confidence interval

The areas to investigate indicate meaningful trends and issues from the data. These are based upon cohorts of more than ten pupils. Progress trend sentences are based on at least six pupils in each year. Progress and attainment figures based upon ten or fewer pupils will be displayed in grey throughout the report. Please note some areas to investigate are based on data not contained in this report.

2017

	School	Floor	Coasting
Expected+ RWM %	34	(65)	(85)
Reading progress	-3.4	(-5)	(-2.5)
Writing progress	-0.1	(-7)	(-3.5)
Maths progress	-3.6	(-5)	(-2.5)

Below floor standards in 2017?

No

To be above the floor, the school needs to meet either the attainment or all of the progress element.

School coasting in 2017?

Yes

The 'coasting' definition covers school performance over 3 years. A school is identified as coasting if:

- in 2015, fewer than 85% of pupils achieved level 4 in reading, writing and mathematics and below the median percentage of pupils made expected progress in all of reading, writing and mathematics, and
- in 2016 and 2017, fewer than 85% of children achieved the new expected standard and average progress made by pupils in reading or writing or mathematics was below the level set against the primary progress measures (shown in pink above).

Coasting element

2015 2016 2017

For coasting element definitions see <https://www.gov.uk/government/publications/school-and-college-performance-tables-statements-of-intent>

Phase of education: Primary

Headteacher: Anna Lippa

Pupils: 390

Gender: Mixed

Special needs provision: SEMH - Social, Emotional and Mental Health

Local authority: Hertfordshire

Admissions policy: Not applicable

Ages: 4-11

Denomination: Does not apply

Schools details as of 3 January 2018

Ethnicity

This school has 14 of the 17 ethnic groups. Those with 5% or more are shown in the pie chart below.

School %	12.4	10.3
Nat %	8.8	8.7
Cohort	354	348

■ School ■ National

Absence indicators for 2015 and 2016 are based on two terms of data (autumn and spring) for mainstream schools and three terms of data for special schools. For 2017 absence indicators are based on two terms of data (autumn and spring) for both maintained and special schools.

Fixed term exclusions

% of pupils excluded

School %	1.4	0.6	2.1	0.8	2.0	1.2
National %	0.5	0.2	0.5	0.2	0.6	0.3
Number	5	2	8	3	8	5

The national for fixed term exclusions is based on phase of education, such as primary or secondary.

Permanent exclusions

= 1 pupil

Nat

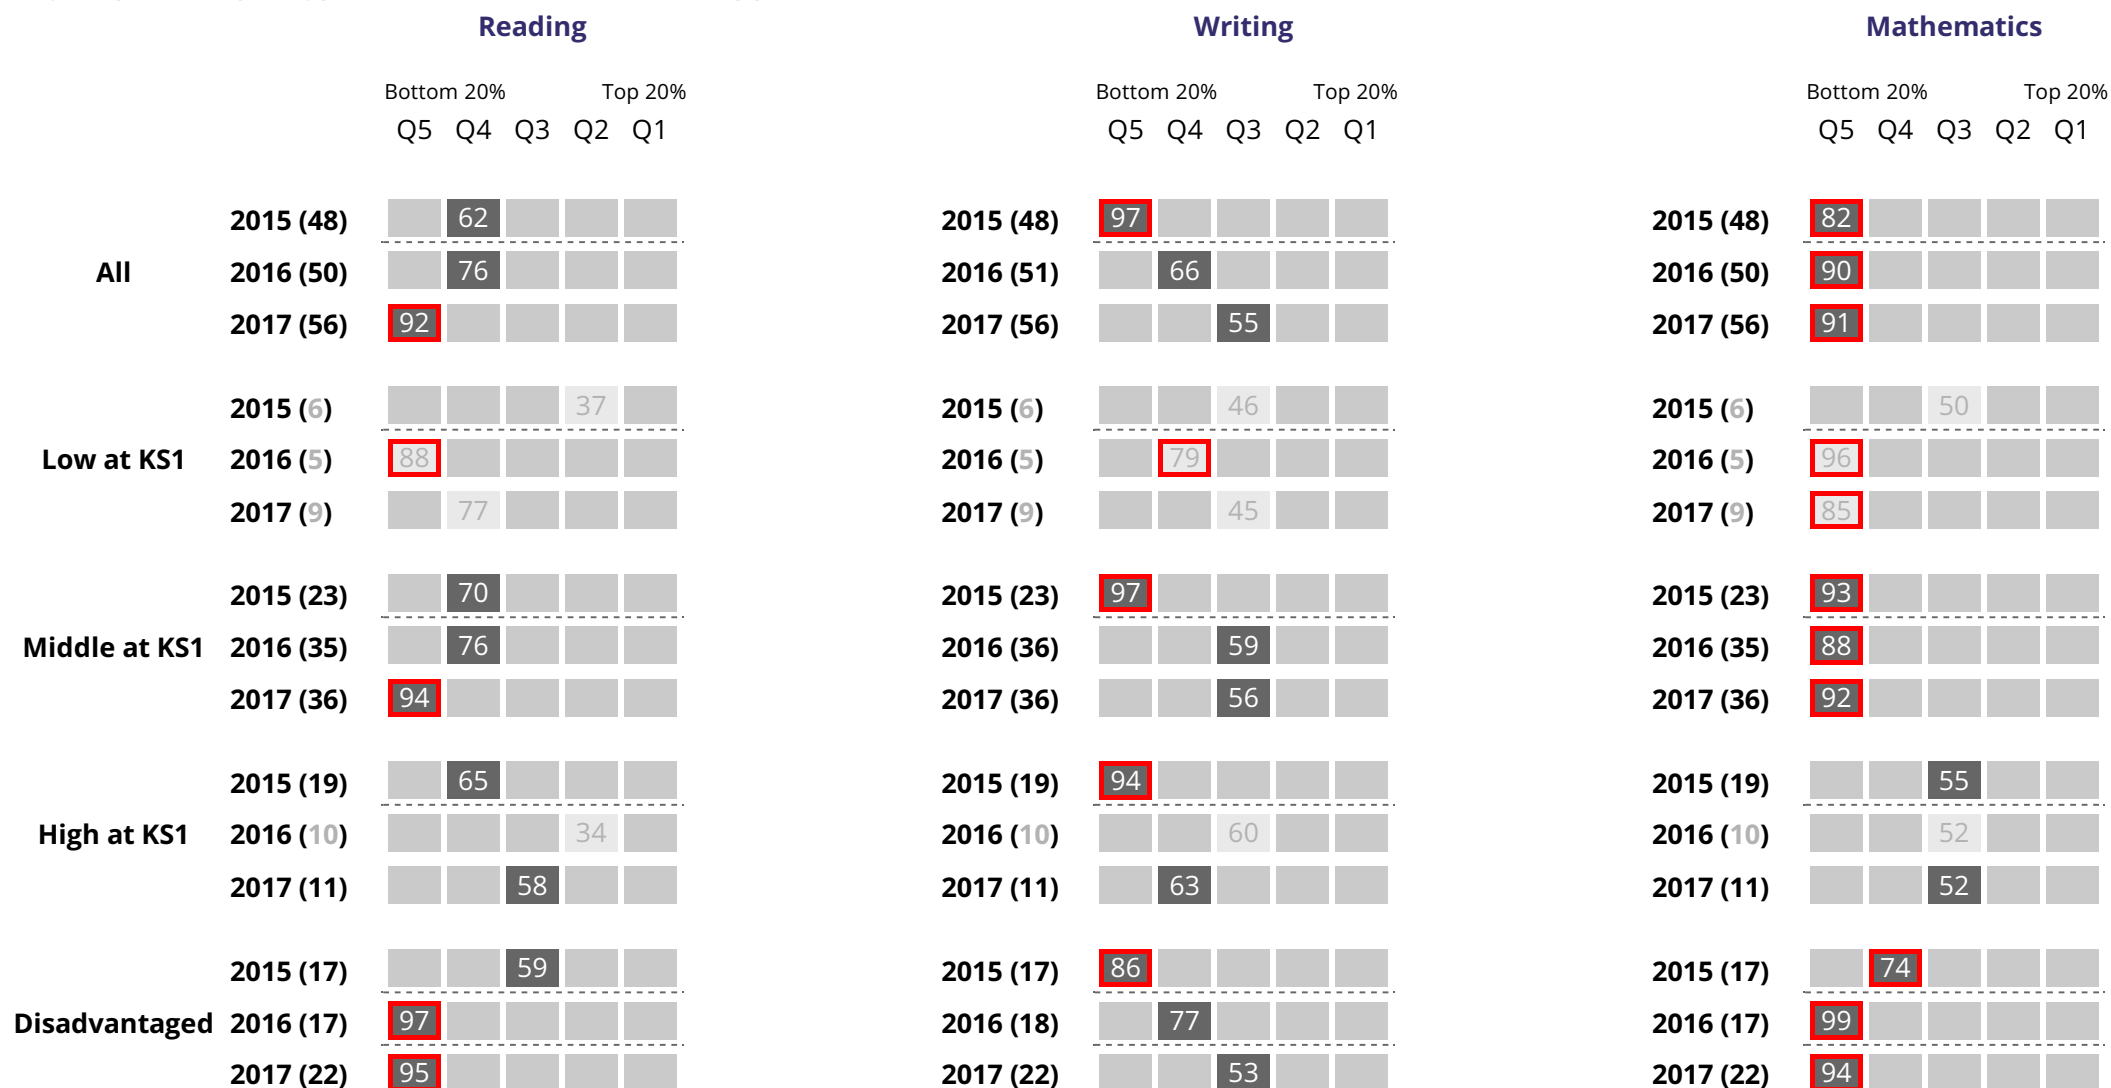

2016 (0) No permanent exclusions

2015 (0)

The national average number of pupils (Nat) permanently excluded shown in orange is based on phase of education.

Trends over time

Progress quintiles displaying percentile rank (1-100 where 1 is the top percentile)

Note: 2015 quintiles and percentiles are based on value added measures; 2016 and 2017 quintiles are based on progress measures. Rank for the disadvantaged section is based on all schools' disadvantaged pupil groups, except for 2016 where it is based on RAISEonline methodology, which measured the group against all pupils. For quintile boundaries, see guidance documents on <https://www.gov.uk/government/collections/using-ofsteds-inspection-dashboard>. Statistical significance for disadvantaged pupils is against the national for other pupils.

() Cohort Significantly below national Significantly above national Change in methodology or calculations -----

Reading progress in 2017

--- Bottom 10% - - - Top 10% — Other national

Significantly below national and in bottom 10%

Significantly above national and in top 10%

Shading based on statistical significance and top/bottom 10% will not be shown for special schools.

Reading progress scatterplot

Top and bottom 10% values can be found in the percentile boundary spreadsheet alongside the guidance documents located here: <https://www.gov.uk/government/publications/using-ofsteds-inspection-dashboard-early-years-foundation-stage-profile-to-key-stage-4>. The values displayed above are rounded to one decimal place however all underlying calculations are based on unrounded data. Prior attainment is based on overall KS1 attainment.

Reading attainment in 2017

Reading attainment scatterplot

The values displayed above are rounded to one decimal place however all underlying calculations are based on unrounded data. The 'Diff no' value shows the number of pupils that the difference between school and national represents, and is always rounded down to a whole number. Prior attainment is based on overall KS1 attainment.

Writing (teacher assessment) progress in 2017

--- Bottom 10% - - - Top 10% — Other national

Significantly below national and in bottom 10%

Significantly above national and in top 10%

Shading based on statistical significance and top/bottom 10% will not be shown for special schools.

Writing data is based on teacher assessments. Users should be cautious when using this data.

Writing (teacher assessment) progress scatterplot
