What Parents Say:

'I think that the AFYA Sports Training Camp is excellent, the coaches are professional and friendly. I was happy to leave my children in their safe hands. It's a great opportunity to try different activities, sports and get some expert coaching. Very impressed. 10 out of 10. I'm a very happy mum!'

What Kids Say:

'It's good because it's outside, you can do sport, make friends and have fun. It's much better than sitting on the computer playing Fortnite'
