#### Independent Tasks

You are expected to complete challenge 1, 2 and 3. Challenge X is an extension challenge that you can choose if you would like to complete.

##### Challenge 1

Hot Verb-Tato is a variation of the schoolyard game hot potato. But instead of just tossing a bean bag, balloon, ball, a teddy or even a real potato to each other, the student ( sibling or parent) with the “potato” needs to say a verb before passing the “potato” to another student.

Put on some lively music. On start, each person must say a verb and pass the “potato” to another student. When time runs out, the student holding the potato has to say the verb in a sentence.

### Challenge 2

Highlight the **verb** in one colour and the **noun** in another.

If you don't have colour pens you could circle the nouns and underline the verbs.

Antbear naps	Jackal prowls	Secretary bird stretches
Bushbaby blinks	Kingfisher dives	Toroise chomps
Crocodile snaps	Lion growls	Unhutu hums
Dassie drinks	Monkey chatter	Vulture mutters
Elephant lumbers	Nyala Shivers	Warthog charges
Frog leaps	Ostrich dances	Xoona moth flutters
Giraffe dozes	Porcupine quivers	Yellow-billed kite soars in the sky
Hippo sleeps	Quail scuttles	Zebra watches the world go by
Impala grazes	Rhino stomps	

### Challenge 3

Which verb best matches the animals below? Choose from the list below.

1. Crocodile \_\_\_\_\_
2. Monkey \_\_\_\_\_
3. Elephant \_\_\_\_\_
4. Lion \_\_\_\_\_
5. Zebra \_\_\_\_\_

gallops      swims      climbs      roars      stomps

### Challenge X

Write a sentence using one of the nouns and verbs in the poem.

For example:

The hippo sleeps in the calm, cool water.

In the video I have modelled sounding out calm using phonics which would be carm.  
This is fine for Y1 as we are working to words being phonetically correct.

### Learning Review

Can you find the verb in the sentence?

The giraffe **dozes** in the hot sun.

The lion **growls** at its prey in the plains of Africa.

Some sentences may have more than one verb. Can you find the verbs in the sentence?

When the monkey **chatters**, the warthog **charges**!
