Challenge X

Read through these sentences and write each word that has an 's' in it into its phoneme group. Some have been done for you.

Snakes do not usually shiver because they are cold blooded. Sometimes they shelter from the sun under rocks or in cracks in the ground. They are often camouflaged to blend into their surroundings which causes visual confusion for their prey as they cannot easily be seen.

's' - as in <i>see</i>	's' - as in 'zh' sound	'sh' - as in <i>shape</i>
<i>snakes</i> <i>sometimes</i>	<i>usually</i>	

Review

List all the words in these sentences that use 's' to make the 'zh' sound.

I had the pleasure to watch my usual show on television. After an explosion and much confusion, the pirates found the treasure to measure.
