

Bowmansgreen Primary School
Reception – Home Learning Grid
Spring Term 2

Choose one Home Learning activity to complete each week. You can choose which task to complete and the order in which you do so. Once you have completed an activity, please ask a parent/carer to initial and date in the appropriate space. You may wish to include photographs of larger pieces of work and/or practical activities. Home learning is to be handed in by **Tuesday** each week. Please use the black 'Home Learning Book' to record your work.

Task One

Create and design a vehicle that you could use to travel into space. What would it look like? You could create a rocket using cardboard tubes, a spacecraft using old boxes or a hot air balloon!

Challenge!

Write a sentence about your creation. For example, 'I went to the Moon in my hot air balloon'.

Parent/carer signature and date:

.....

Task Two

Make up a story about an adventure you could have in a hot-air balloon. Think about where your hot-air balloon would take you and the things you will see. Tell your story to an adult and upload a video to Tapestry.

Challenge!

Draw a picture of your adventure. Label your hot-air balloon.

Parent/carer signature and date:

.....

Task Three

Go for a walk with a grown-up. What letters and numbers can you see on the number plates of parked cars? Can you see any letters which appear in your name? Can you spot the numbers 1 to 9?

Challenge!

Can you see any buses on your walk? What number is on the bus?

Parent/carer signature and date:

.....

Task Four

Look at the number problem below.

10 little aliens went flying one night until 6 flew away. How many are left?

Use a number line to help you count back to find the answer.

Challenge!

Can you record the number sentence? For example, $10-6=$ ___

Parent/carer signature and date:

.....

Task Five

You will need to collect a range of containers from around your home. Measure how much liquid each one holds. Order them from the least amount to the most.

You could use a spoon or a cup to measure the amount in each container.

Challenge!

Can you predict how much another container holds? Write down your guess and then check to see if you are correct.

Parent/carer signature and date:

.....

Task Six

You will need to ask an adult to shout out a number. Write that number down and also the next two numbers (For example, if an adult shouts out 13, you write 13, 14 and 15.)

Challenge!

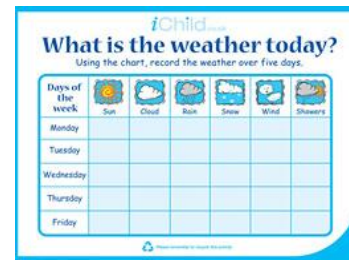

Repeat the activity but this time write the two numbers that come before that number. (For example, if an adult shouts out 11, you write 11, 10 and 9.)

Parent/carer signature and date:

.....

Task Seven

You will need to make a weather chart. You could draw symbols for rain, sun etc, write the days of the week and record what the weather is like for each day.

Challenge!

Can you predict what the weather will be like next week?

Parent/carer signature and date:

.....

Task Eight

Plan a tea party on the Moon for some aliens. You could draw pictures of the food you want at the party. Think about what kind of food an alien might like - star biscuits, rocket jelly or moon cheese balls! The possibilities are endless!

Challenge!

Can you label the food for your party?
