

Bowmansgreen Primary School
Year 4 – Home Learning Grid
Summer Term 1

Choose one Home Learning activity to complete each week. You can choose which task to complete and the order in which you do so. Once you have completed an activity, please ask a parent/carer to initial and date in the appropriate space. You may wish to include photographs of larger pieces of work and/or practical activities.

Home learning is to be handed in by **Tuesday** each week.

<p style="text-align: center;">Task One</p> <p>You need to create a creature that is an invertebrate. Imagine you have discovered this new species. You need to draw it and write a short paragraph to tell us about it. You may want to write about:</p> <ul style="list-style-type: none"> • What it feels like • How it moves • What it eats • How it protects itself • If it is related to any other invertebrates • Where it lives <p>https://www.ducksters.com/animals/invertebrates.php</p> <p>Challenge! Can you make a 3-D model of your creature?</p> <p>Parent/carer signature and date:</p>	<p style="text-align: center;">Task Two</p> <p>Look for a wildflower in your garden or on your next family walk. For example, a bluebell, cowslip, lesser celandine or a primrose.</p> <p>https://www.woodlandtrust.org.uk/visiting-woods/trees-woods-and-wildlife/plants-and-fungi/woodland-wildflowers/</p> <p>Then, do some flower/leaf printing with your chosen flower. How to leaf print is described in the link below.</p> <p>https://www.wikihow.com/Make-Leaf-Prints</p> <p>Challenge! Research and answer the following questions:</p> <ul style="list-style-type: none"> • How can you identify your chosen wildflower? • Where is it found? • How long does it live for? • Is it flowering or non-flowering? <p>Parent/carer signature and date:</p>	<p style="text-align: center;">Task Three</p> <p>You need to create a poster about the habitat of a millipede. You will need to include information about:</p> <ul style="list-style-type: none"> • Where millipedes are usually found • The temperature they like to live in • Whether their habitats are wet or dry • How a millipede makes its habitat 'home' • How a millipede's features suit its habitat <p>https://a-z-animals.com/animals/millipede/</p> <p>Challenge! Can you include a section about how a millipede's habitat may be under threat?</p> <p>Parent/carer signature and date:</p>	<p style="text-align: center;">Task Four</p> <p>You need to bake a bird's nest! Birds are living things that lay eggs. It is up to you how you make it but here are some ideas:</p> <ul style="list-style-type: none"> • Crispy cake nests with eggs on • Cupcakes with eggs on • A large cake with eggs, chicks or a bird on <p>You may even want to include some strawberry laces or jelly worms as the bird's food!</p> <p>Here is an example recipe: https://www.pillsbury.com/recipes/easter-birds-nest-cupcakes/c560227e-e86d-42a6-aaf6-059296a5619d</p> <p>Challenge!
