

Remote Learning Overview – KS1 (Y2)

Year Group: Year 2 Week Commencing: 13th December 2021.

If you are unable to attend school due to COVID-19, please complete the learning outlined in the table below. Any resources which you do not have at home, such as the CGP books, are available from the school office with immediate effect. We understand that you may be feeling unwell, so please complete as much learning as you can.

Resource	Guidance
Home Learning Grid	The home learning grids for this half term are available in your home learning book and on the school website. Please complete as many of the eight tasks as possible. We would be really impressed if you also completed the 'Challenge!' element within each task.
MyMaths	Log into the MyMaths website: https://www.mymaths.co.uk (Remember to use the school username and password.) Log in to the pupil portal using your username and password. Homework: Find six tasks set by your teacher to help you practise skills you are learning at school this half term. Games: Play online maths games to practise and recall key skills and number facts. Practise: Select your year group and explore the different topics.
Times Tables Rockstars	https://trockstars.com Go to the Times Table Rock Stars website or download the app. Use the username and password that your teacher has previously given you. Enjoy playing on seven different game modes and practise recalling times table facts. Earn coins to upgrade your avatar and be the coolest rock star in class! Play for at least fifteen minutes each day. Garage: Practise the times tables you need to focus on most. Jamming: You choose the times tables you would like to practise. Studio: Answer times table facts from 1x to 12x. The faster you answer the higher up the school score board you will go. Soundcheck: Answer 25 questions, with only 6 seconds to answer each one! How many will you get right? Festival: Race children around the world to see how many you can get right.
Numbots	https://play.numbots.com/#/intro Log in to this website and practise your place value skills, number recognition and number bonds. Use the username and password given to you by your teacher. Complete the levels and see if you answer enough questions to progress. Earn machine pieces for the robot you designed!
CGP Book - <i>Maths</i>	You have been provided with a CGP book which focuses on mathematics. Please work through all of the questions in the book.
CGP Book – <i>Reading Comprehension</i>	You have been provided with a CGP book which focuses on reading comprehension. Start at the beginning of the book. Read the first text and answer the related questions. Try and complete as many comprehensions as possible.
Oxford Owl	The Oxford Owl eBook Library contains a wide selection of books from across Oxford's most popular series. The ebooks are carefully levelled and progress in reading difficulty from those appropriate for Reception right through to those suitable for Year 6. <ol style="list-style-type: none">1. Go to www.oxfordowl.co.uk2. Click on the 'Log in' link (top right) to open the login form.3. Make sure the 'Students' tab is highlighted.4. Use the username and password that your teacher has previously given you. Click 'Login'.5. Click on the tile for the Oxford Owl eBook Library.6. To find the right level, click on the 'Levels' filter at the top of the library and choose the 'Book Bands' as appropriate. Choose your level and then the books will be filtered.
English Lessons	This week in English we will be writing a recount. Please complete lessons 6, 7, 8, 9 and 10. https://classroom.thenational.academy/units/recount-diary-entry-060a
Mathematics Lessons	This week in mathematics we will be learning about money. Please complete lesson 1, 2, 3, 4 and 5.

	https://classroom.thenational.academy/units/money-88ba
Our school website	Bowmansgreen Primary School - London Colney, St Albans You will find many useful resources, particularly for phonics, English and mathematics, on our school website. Please look under the 'Learning' and then 'Our Curriculum' tabs.
