

## Remote Learning Overview - EYFS

Year Group: Reception

*As our school site is closed, due to extreme weather, please complete as much of the learning outlined below as possible.*

Resource	Guidance
Home Learning Grid	The home learning grid for this half term is available in your home learning book and on the school website. Please complete one task, in addition to your normal home learning, today. We would be really impressed if you also completed the 'Challenge!' element within each task.
Numbots	<a href="https://play.numbots.com/#/intro">https://play.numbots.com/#/intro</a> Log in to this website and practise your place value skills, number recognition and number bonds. Use the username and password given to you by your teacher. Complete the levels and see if you answer enough questions to progress. Earn machine pieces for the robot you designed!
Phonics Play	<a href="#">PhonicsPlay - Resources</a> Please play the following games on this website: 'Buried Treasure', 'Dragon's Den' and 'Picnic on Pluto'. When you enter each game, please select 'Phase 2', 'Set 1 - 3'
Phonics Bloom	<a href="#">Phonics Games for the Classroom and Home - Phonics Bloom</a> Please play some of the 'Phase 1' and 'Phase 2' phonics games.
Reading	Read your shared reading book to an adult at home. Look out for the full stops and capital letters on each page. Have a go at reading the questions on the last page of the book, then answer them in a full sentence: for example, if the question was 'Did Pip sit?' the children should be able to answer - "Yes, Pip did sit." or "No, Pip did not sit."
Literacy Lesson	This week in Literacy we will be learning about The Christmas Nativity story. Please complete the first two lessons in this unit. <a href="https://classroom.thenational.academy/units/christmas-story-3bcf">https://classroom.thenational.academy/units/christmas-story-3bcf</a>
Mathematics Lesson	This week in mathematics we will be learning about measurement. Please complete lesson one and lesson four in this unit. <a href="https://classroom.thenational.academy/units/measures-f350">https://classroom.thenational.academy/units/measures-f350</a>
Theme Lesson	<b>Understanding the World</b> Take some time to explore what has happened to the weather. This links with the Understanding the World section of the EYFS curriculum. Talk about why it has snowed and the change of season. The children can also perform a mini science experiment where they bring in a cup of snow and watch what happens when it is brought inside- photos can be uploaded to Tapestry.
