

Remote Learning Overview – KS1 (Y1)

Year Group: 1AW and 1DW

As our school site is closed, due to extreme weather, please complete as much of the learning outlined below as possible.

Please remember to practice your lines for our school nativity.

Resource	Guidance
Home Learning Grid	The home learning grid for this half term is available in your home learning book and on the school website. Please complete one task, in addition to your normal home learning, today. We would be really impressed if you also completed the 'Challenge!' element within each task.
MyMaths	Log into the MyMaths website: https://www.mymaths.co.uk (Remember to use the school username and password.) Log in to the pupil portal using your username and password. Homework: Find six tasks set by your teacher to help you practise skills you are learning at school this half term. Games: Play online maths games to practise and recall key skills and number facts. Practise: Select your year group and explore the different topics.
Numbots	https://play.numbots.com/#/intro Log in to this website and practise your place value skills, number recognition and number bonds. Use the username and password given to you by your teacher. Complete the levels and see if you answer enough questions to progress. Earn machine pieces for the robot you designed!
Reading	In school, we are reading a book called Alien Tea on Planet Zum Zee by Tony Mitton and Guy Parker-Rees.  <p>Draw a picture and design your own alien food! Label the picture using adjectives and verbs to describe what your food looks like and what it might do, like the food in the picture above.</p>
English Lesson	This week, in English we will be learning about writing instructions. Please complete the first lesson in this unit. https://classroom.thenational.academy/units/instructions-how-to-make-a-paper-crown-aa36
Mathematics Lesson	This week, in mathematics we will be learning about 2D Shapes. Please complete the first lesson in this unit. https://classroom.thenational.academy/lessons/to-identify-2d-shapes-c9gkjd
Theme Lesson	This term we have been learning about seasons. https://www.bbc.co.uk/bitesize/topics/zkvv4wx/articles/zcx3gk7

	<p>Use this link to learn more about seasons.</p> <p>Please go on a winter walk. If this is not possible, have a look in your garden or out of the window. With an adult, have a discussion about the weather linked to your five senses (sound, sight, taste, touch, and smell). Talk about how today compares with another season, such as summer. When you are talking to your adult, try and use descriptive words (adjectives).</p>
Our school website	<p>Bowmansgreen Primary School - London Colney, St Albans</p> <p>You will find many useful resources, particularly for phonics, English and mathematics, on our school website. Please look under the 'Learning' and then 'Our Curriculum' tabs.</p>
