

Remote Learning Overview – KS2

Year Group: 6

As our school site is closed, due to extreme weather, please complete as much of the learning outlined below as possible.

Resource	Guidance
Home Learning Grid	The home learning grid for this half term is available in your home learning book and on the school website. Please complete one task, in addition to your normal home learning, today. We would be really impressed if you also completed the 'Challenge!' element within each task.
MyMaths	Log into the MyMaths website: https://www.mymaths.co.uk (Remember to use the school username and password.) Log in to the pupil portal using your username and password. Homework: Find six tasks set by your teacher to help you practise skills you are learning at school this half term. Games: Play online maths games to practise and recall key skills and number facts. Practise: Select your year group and explore the different topics.
Times Tables Rockstars	https://ttrockstars.com Go to the Times Table Rock Stars website or download the app. Use the username and password that your teacher has previously given you. Enjoy playing on seven different game modes and practise recalling times table facts. Earn coins to upgrade your avatar and be the coolest rock star in class! Play for at least fifteen minutes each day. Garage: Practise the times tables you need to focus on most. Jamming: You choose the times tables you would like to practise. Studio: Answer times table facts from 1x to 12x. The faster you answer the higher up the school score board you will go. Soundcheck: Answer 25 questions, with only 6 seconds to answer each one! How many will you get right? Festival: Race children around the world to see how many you can get right.
Reading	Read your reading book and log the title and pages read, in your Reading Record.
English Lesson	In year 6, in English, we will be learning about achieving cohesion in our writing. Please complete lesson four from this unit. https://classroom.thenational.academy/units/t2-word-level-objectives-45be
Mathematics Lesson	This week, in mathematics, we will be learning about percentages. Please complete this lesson. https://classroom.thenational.academy/lessons/finding-percent-of-a-quantity-problem-solving-c9h38d
Theme Lesson	https://www.bbc.co.uk/bitesize/topics/zqhyb9q/articles/zj8my9q Despite women's efforts during WW1, they were paid far less than men and were given less rights. Watch the video, using the link above, to find out about the role of women in WW1. Then, write a persuasive paragraph, as a woman working during WW1, which argues women should be paid and treated equally. Use information from the video to strengthen your arguments.
Our school website	Bowmansgreen Primary School - London Colney, St Albans You will find many useful resources, particularly for phonics, English and mathematics, on our school website. Please look under the 'Learning' and then 'Our Curriculum' tabs.
