

Number				
Counting and Number Properties	Place value, ordering and comparing		Calculation	
number count / counting forwards backwards count on count back zero odd even pattern subitise	same different more / more than less / less than fewer/ fewer than equal / equal to / = not equal most fewest least first	whole part groups regroup fairly	total / in total add / addition / + altogether number bond difference take away / taken away how much how many bonds left / leftover part whole / whole amount unknown	number sentence equal not equal group / grouped grouping share / shared sharing double / doubling / doubles twice as each half / halving / halves
Fractions				
half / halve / halves sharing group / groups		grouping part whole equal parts		
Measurement				
Mass	Length		Time	
heavy heavier / heavier than light lighter / lighter than lightest heaviest balance	same different long / longer / longest tall / taller / tallest short / shorter / shortest wide / wider / widest fatter thicker thinner		quicker slower first next	
Geometry				
Shape Properties	Position and Direction			
shape rectangle / rectangles square / squares circle / circles triangle / triangles	pattern next first top middle bottom on top of in front of next to near	behind between above below beneath around repeat underneath Inside		over outside inside turn towards backwards forwards diagonal
